## MAKE YOUR OWN DREIDEL

Celebrate Chanukah (and your favorite dinosaurs!) by making your own dreidel.

### You Will Need:

- Scissors
- Tape or glue
- Crayons
- A straw or pencil
- Game pieces (chocolate coins, pennies, or other small tokens)

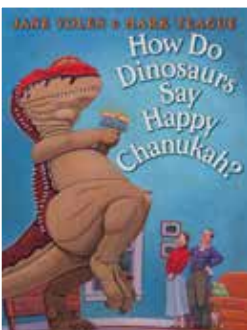

### What To Do:

- Color in the dreidel and cut out the template along the solid lines.
- For a sturdier dreidel, glue the template to a thin piece of cardboard (e.g., a cereal box) before cutting it out.
- Fold in the tabs and glue the dreidel together.
- Poke a hole at the x and thread a pencil or straw through the top.

### How to Play:

- Distribute the game pieces evenly. (Each player should have about ten pieces.)
- At the beginning of each round, have everyone place one game piece in the pot.
- Take turns spinning the dreidel.
- When it stops spinning, look at the top image to determine what action to perform next.
- The player with the biggest pot wins!
