Hey, ambitious girl! Are you ready to change the world? **Yes, you are!**

Just by being yourself, you are exactly what you need to be. What are your hopes? What are your dreams? Who do you want to become?

As Ambitious Girl says:

*No “too that” or “too this” will stop what’s inside us from flowering.*

Inside this kit there are activities to remind ambitious girls everywhere just how strong, brave, and awesome they are. Need more ideas?

⭐ Write a letter to an ambitious girl you know. Whether a neighbor down the street, your favorite teacher, or your friend who lives on the other side of the world, remind them how much they inspire you.

⭐ Dig into history books and read about all the ambitious women who came before us. There are tons of scientists, lawyers, athletes, artists—everything! Research a topic you love, and see who you can discover more about.

⭐ Give yourself a daily affirmation! There are plenty of places to start in the book: “I am strong!” “I am ambitious!” Just repeating these positive words is a great way to start the day.
